

Task 1

What are the safety signs telling you?

Task 2

Look around your workplace or school and also watch the New to the Job video. Note the safety signs you see and what they are communicating. Also try searching the Internet for others.

For those signs indicating PPE, also make a notes of the hazard they are protecting against.

Stop (red circle and line)	Obey (blue circle)	Danger/ warning (yellow triangle)	Safety (green square/ rectangle)	Fire (red Square/ rectangle)	PPE sign	Hazard
